

MOMMY MAKEOVER

Mommy makeovers are designed to counteract the effects after childbearing has left its mark. Dr. Dawn Geisler Wang, a plastic surgeon with Plastic Surgery Consultants of Southern Illinois, will be discussing the exciting options to help reverse those changes.

- Tummy tuck to remove excess skin, stretch marks and tighten the abdominal muscles
- Liposuction to help thin the waist or thighs
- Breast surgery for a lift, reduction or to add fullness

DATE, TIME, PLACE

Tuesday, March 30, 2010

7 to 8:30 p.m.

Memorial Health Education Center,
706 East Highway 50, O'Fallon
