

Colorectal Cancer Are You At Risk?

Find out if you're at risk for developing colorectal cancer by simply answering a few questions. You will have an opportunity to discuss your answers privately with one of our medical professionals. A physical exam is not involved.

DATE, TIME, PLACE:

Saturday, March 27

9 a.m. to 1 p.m. by appointment only
Memorial Hospital's GI/Endoscopy Lab

This is a FREE screening; however advance appointments are required. To make an appointment, call Memorial's Community Relations Department at 257-5649.

MEMORIAL
HOSPITAL

Dedication. Compassion. Innovation.
